

NEBRASKA ADMINISTRATIVE CODE

TITLE 229 - DEPARTMENT OF LABOR

CHAPTER 22 MINIATURE BOILERS - NEW INSTALLATIONS

001. This chapter is adopted pursuant to Neb. Rev. Stat. §48-727.
002. No miniature boiler shall be installed unless it has been constructed, inspected and stamped in accordance with the requirements of ASME Section I Rules for Construction of Power Boilers.
003. A boiler having a standard stamping of a state that adopted a standard of construction equivalent to the standard of ASME code may be accepted by the Department provided that the person desiring to install same shall make application for the installation, which shall include a manufacturer's data report covering the construction of the boiler.
